The property was taken up on a mining lease in 1845; the Princess Royal Copper Mine was worked for some years. In the early 1850s the mining lease was relinquished and the property was taken up by Walter Duffield as a pastoral lease. Cullloch bought it in 1863, and had his house built by the following year. The Tennant family purchased the property in 1900.

SOUTH AUSTRALIAN HERITAGE ACT, 1978-1979

Entry of Items on Register of State Heritage Items

There has been an increased community awareness of the need to protect those buildings and features of our State which reflect our cultural heritage. The South Australian Government has recognised that awareness by passing the South Australian Heritage Act, 1978-1979, for which the Minister of Environment is responsible. In accordance with the provisions of the Act, the Register of State Heritage Items is being compiled.

Where the Minister considers that an item (defined as any land, building or structure) that is not on the Register is part of the physical, social or cultural heritage of the State and that the item is of significant aesthetic, architectural, historical or cultural interest, then the Minister may enter that item on the Register.

Pursuant to the provisions of the South Australian Heritage Act, 1978-1979, I, David Wotton, Minister of Environment and Minister for the time being administering the said Act, hereby give notice that I have entered on the Register of State Heritage Items the items described in The Schedule hereunder.

Items listed in The Schedule were placed previously on an Interim List in accordance with the provisions of section 15 of the South Australian Heritage Act, 1978-1979. Excepting items owned by the Crown and those within the area of the Corporation of the City of Adelaide, the remaining items listed in The Schedule are the property of any other person or public authority. The Australian Heritage Act, 1978-1979, for which the Minister of Environment is responsible. In accordance with the provisions of the Act, the Register of State Heritage Items is being compiled.

PRINCESS ROYAL BRIDGE  Near Burra

Princess Royal was the copper mining lease taken up at the same time as the Burra Burra Mine, some miles to the north. Became a sheep station when it failed as a mine; and homestead built by Burra Creek in 1864. Suspension bridge, built in 1889, provided access to homestead during sudden wild floods for which the creek is notorious.
