HERITAGE SIGNIFICANCE

RECOMMENDATION: State

Description:
Rendered random rubble stonework with painted dressed stone quoins to corners and openings. Dressed stone string course. Tiled hipped roof. Front section has parapet wall with corbelled string course and small pediment. Semi-circular arched double hung sash windows with keystones. Unsympathetic portico attached to front elevation with 'Mansard' style tiled roof. Eaves have timber eaves brackets.

At the end of 1862 proceedings began to establish a Public Library and Mechanics' Institute; the committee included G.R. Scott, S.M., Fr. J.E. Tenison Woods and the Riddoch Bros. Premises were rented for a reading room and lecture hall until the Library and Institute building was constructed. By the 1880's it had the second largest collection of books outside Adelaide, a reflection of the comparatively high cultural standards of early Penola, and the generosity of local benefactors.

SOUTH AUSTRALIAN HERITAGE ACT, 1978
Entry of Items on the Register of State Heritage Items

There has been an increased community awareness of the need to protect those buildings and features of our State which reflect our cultural heritage. The South Australian Government has recognised that awareness by passing the South Australian Heritage Act, 1978, for which the Minister for Environment and Planning is responsible. In accordance with the provisions of the Act, the Register of State Heritage Items is being compiled.

Where the Minister considers that an item (defined as any land, building or structure) that is not on the Register is part of the physical, social or cultural heritage of the State and that the item is of significant aesthetic, architectural, historical or cultural interest, then the Minister may enter that item on the Register.

Pursuant to the provisions of the South Australian Heritage Act, 1978, I, Susan M. Lenehan, Minister for Environment and Planning and Minister for the time being administering the said Act, hereby give notice that I have entered on the Register of State Heritage Items the items described in The Schedule hereunder.

Items listed in The Schedule were previously placed on an Interim List in accordance with the provisions of Section 15 of the South Australian Heritage Act, 1978. Excepting items owned by the Crown and those within the area of the corporation of the city of Adelaide, the remaining items listed in The Schedule are subject to Part V of the Planning Act, 1982. That Act requires that no development, including demolition, conversion, alteration of, or addition to any item, is permitted without the written consent of the relevant Planning Authority. Items within the area of the corporation of the city of Adelaide are subject to the provisions of the City of Adelaide Development Control Act, 1976.
